Francis Ndung'u

Systems Developer

I am an IT professional with over 3 years of experience facilitating cutting-edge software development solutions, with a wide range of e-commerce application and technology skills. I have strong technical skills, as well as excellent interpersonal skills, enabling me to interact with a wide range of clients. I am eager to be challenged in order to grow, and further improve my skills. My passion is using my technical knowhow to benefit other people and organizations.
